

## Scotch Bonnet Light Race 2018 Review

Tony Gambacurta 6/23/2018

2 years in the making the 2018 Scotch Bonnet Light Race was a racer's race with great wind that never stopped. The winds from the east, generally 8-15 kts, with some higher winds in the middle of the night. Note that freshening winds in the middle of the night with the 'chute up will get a skippers attention. No storms, with rain at times that we are all well prepared for and 1-3 ft seas.

Boats rounding the island at 3am reported not being able to see the island due to darkness. This made the turn south difficult to judge. By 7am all boats had rounded and the committee picked up anchor.

There was not much sun, or star viewing but we were treated to a ribbon fire on the horizon at sunset. It never got completely dark.

Flicker, Bill Thompson, GYC, had a good race winning her division, best overall corrected time (Allen Trophy) and 1<sup>st</sup> GYC boat under 30ft (Founder's cup).

Line honors (Giambra Trophy) went to Rampage and 1st time skipper Jack Odenbach, RYC.

A new entry from Oswego, '100, Morely Flynn, F27, came and stole some of our gold, something we very much welcome.

We had a boat with an all women crew from Belleville Canada, they left us a note saying: "Thank you from the Ladies of Spankin Mad – BQYC for the fast, fun, memorable race to Scotch Bonnet Light. We shall return in greater numbers next year."

Robert Fields (Grand Vittesse) mentioned that his first Scotch Bonnet Race was 35 years ago and 2018 his 30<sup>th</sup> Scotch Bonnet Light Race.

There were 3 single handed racers, all in different divisions. 27 boats registered, 2 boats withdrew before checkin, 3 multihulls did not compete. 8 new boats registered.

Some people shared their thoughts on Facebook:

Bill Towner (Water Colors) wrote: Very hard race! It was non stop from start to finish. While we finished earlier than ever we also were probably the most exhausted, a different kind or endurance race from many past races where u had no wind and it was more a mind game

than a physical slug out like this one with strong winds and some knock down gusts and intermittent rains! Great job Water Colors crew !!! Plus we were first in on our division [to finish]!!

Michelle Regan Danesi [Flicker crew] wrote:

There were no calms at dawn. No biting flies. No helpless pirouettes or holes. Just 14 hours of perfect sleigh ride sailing on a great boat with an awesome skipper and crew... with a first in fleet finish, first place corrected time and probably a first overall. It was an amazing Bonnet this year! Thank you Billy!
